Dear Prospective Student and Family:

Thank you for your interest in Pleasant View Christian Academy. Please find enclosed the information you requested. I want you to know how grateful I am that you are pursuing Christian education options for your most treasured possession, your child. I have four children, and I do not consider Christian education an expense, but rather, an investment! By way of introduction, let me first describe our school's mission and philosophy.

Pleasant View Christian Academy was started in 1993 to help Christian parents fulfill their God-given responsibility of training their children in the nurture and admonition of the Lord (Eph. 6:4). We sincerely believe that "the fear of the Lord is the beginning of wisdom" (Ps. 111:10). We believe in strong, loving discipline and an "old-fashioned" work ethic. The academic standards of this school are intentionally high.

Our desire is to help Bible-believing families educate their children in an environment that encourages academic excellence and promotes spiritual growth. Our mission is to train students who have a desire to live their life for the Lord Jesus Christ and want the best possible academic and spiritual instruction available to help them reach that goal.

Families who are religious in name only or because it is respectable to go to church on Sunday will not be happy here. Our Christianity is Bible-based and simple. We honestly desire to please God in every area of life, and we believe that He is interested in every area of our life.

Pleasant View Christian Academy is not for everybody, but that is the very reason it may be just the school for you! You may also visit our website, www.pleasantview.org, for more information, or call and schedule a visit.

We look forward to hearing from you.

Sincerely,

Douglas K. Raynes
